WCU FOUNDATION AND UNIVERSITY STUDENT HOUSING, LLC APPOINT CHIEF EXECUTIVE OFFICER

WEST CHESTER, Pennsylvania—The Board of Directors announced the appointment of Christopher Mominey as Chief Executive Officer of the WCU Foundation and University Student Housing, LLC. The WCU Foundation supports the goals of West Chester University through fundraising activities, the management of donated resources, and the promotion of the University’s needs to prospective contributors.

“My family and I are excited to be welcomed into the community of WCU and the Foundation,” Mr. Mominey shares. “The opportunity to join the team at such an outstanding university and to lead the dedicated staff of the Foundation is something that I am eager to begin in earnest. I am looking forward to learning from them, listening to their experiences, and leading them into a future filled with growth and innovation. I believe a CEO is required to set a positive tone and to create a culture that encourages passion, personal growth, and collaboration,” he adds, “and I am grateful that this opportunity will allow me to join a place that shares my growth mindset.”

Mr. Mominey is known for his collaborative work style, excellent communication skills, and for creating best practices with peer leaders resulting in increased performance of organizations. He most recently served the Archdiocese of Philadelphia as its Chief Operating Officer and Secretary for Education and Deputy Executive Secretary, remaining actively involved at the national level promoting education with a particular focus on organizational culture, mindset, and operational vitality.

Additionally, Mr. Mominey has been recognized for his work in education as a speaker, facilitator and thought leader, serving in a variety of capacities throughout his career as a teacher and administrator. He holds a BA from Saint Bonaventure University and an MA from John Carroll University.

“The Search Committee and Executive Committee of the WCU Foundation’s Board of Trustees concluded that Mr. Mominey’s considerable experience in leading strategic transformation in a complex organization, his expertise in operational efficiency, and his track record of building and leading successful teams will bring the Foundation and USH to the next level of excellence,” says John Baker, Secretary of the WCU Foundation’s Board of Trustees and Chairman of the Search Committee. In welcoming Mr. Mominey, Mr. Baker extended appreciation to his fellow search committee members and the Foundation’s senior leadership.
