

By partnering with the Corporate & Foundation Relations (CFR) Office at WCU Foundation, your organization can advance its mission while driving student success at West Chester University. No matter the size of your corporation or foundation, we can guide you to programs that align to your directives — all while extending incredible opportunity to WCU students.

Our staff will establish meaningful relationships between your leadership and West Chester University's distinguished faculty and administration. We will serve as a central point of access for philanthropic engagement, connecting your organization to students and resources that can help you achieve your goals. Partner benefits you can unlock:

- Build your brand with signage, print and online media, sponsorships, and promotions
- Attend special events with WCU-exclusive programming, including Presidential events
- Extend your network with broad access to WCU students, faculty, and patrons
